ABSTRACT

This 25-page annotated bibliography describes the legal reference materials in the special collection of a medium-sized public library. Sources are listed in 12 categories: cases, dictionaries, directories, encyclopedias, forms, references for the lay person, general, indexes, laws and legislation, legal research aids, periodicals, and specialized materials on Illinois law. A section on specialized reference sources such as retirement, employment, environmental law, divorce, and other subjects of particular concern to citizens completes the bibliography. (SW)
